

HEAVY DUTY MOTOR OIL

GMX HEAVY DUTY 20W-50

API CI-4/CH-4/CG-4/CF-4

GMX POWER 20W-50 is a diesel engine oil produced with the perfect combination of modern technology additives and quality base oils. It can be used safely in heavy commercial vehicles working in the construction, transportation and agriculture sectors. Thanks to its special formulation, it keeps the engine clean and provides superior protection, especially in heavy-duty vehicles with high mileage.

GMX HEAVY DUTY 15W-40

API CI-4/CH-4/CG-4/CF-4

GMX POWER 15W-40 is an extra performance diesel engine oil that meets the latest performance requirements set by leading engine manufacturers and provides maximum protection in state-of-the-art engines. Thanks to its modern formula, it increases the performance of diesel engines with high and low mileage.

GMX HEAVY DUTY 10W-40

API CI-4/CH-4/CG-4/CF-4
API SL/SJ ACEA E5/E7-12 (2012)
ACEA A3/B4-12 (2012)
MB-Approval 228.3 MAN M 3275

GMX POWER 10W-40 is a synthetic engine oil prepared with 10W-40 synthetic base oils and advanced technology performance additive packages. It is recommended for use in passenger and commercial vehicles, European and American designed, low emission, turbocharged engines. It is also recommended for vehicles that work on highways, both under high speed/heavy load, loading/unloading short distances in light and heavy truck transportation, and heavy load in off-road conditions such as construction and agriculture.

GEAR AND TRANSMISSION

GMX ATF DEXRON II

GM Dexron IID / Type A Suffix A MB Page 236.7; 236.5

Caterpillar TO-2 Allison C-4
VOITH TURBO H55.633539
ZF TE-ML-03D/04D/-11A/14A/17C

GMX POWER ATF DEXRON II is a high performance automatic transmission oil prepared with special additive packages. It is used in power steering systems and automatic transmissions of passenger cars and buses where GM Dexron II and Ford Mercon performance levels are recommended by the manufacturer. It is recommended to be used as hydraulic system oil in some work machines.

GMX ATF DEXRON III

General Motors Dexron IIIH / IID GM Type A Suffix A
Ford MERCON® MB-Approval 236.1, 236.5
Allison C-4 Voith H55.6335 MAN 339 TYP Z1, V1
CAT TO-2 ZF TE-ML-02F, 03D, 04D / -09, 11B, 14A, 17C

GMX POWER ATF DEXRON III is an automatic transmission oil, obtained by blending modern additive combinations, especially developed to meet the requirements of the leading engine manufacturers General Motors Dexron III and Ford Mercon. It can be used in steering and hydraulic units as well as providing superior protection and lubrication for the automatic gearbox over a wide temperature range.

GMX ATF DEXRON CVT

GMX POWER CVT Fluid is high performance, continuously variable transmission fluid designed to meet the service fill use for many Japanese designed vehicles. CVT Fluid provides smoother, consistent all-weather step-less shifting, and all-around lubricant protection of the transmission components to help extend transmission service life and provide a smooth driving experience.

GMX GEAR 75W-80, 75W-90, 85W-140

GMX POWER It has been developed for use in passenger cars, heavy vehicles, heavy duty gears, heavy duty gears, bus and service vehicles, gearboxes, gearboxes, rear axles, high performance, oil. The extreme pressure of the EP (extreme pressure) additives extends the life of the gearboxes by reducing the abrasion caused by friction. Excellent thermal stability provides protection even in high temperatures while providing protection against oxidation and corrosion, as well as protection against cold weather.

POWER

SYNTHETIC MOTOR OIL

MADE IN Türkiye

Discover the potential

GMX POWER is the leading brand of lubricant products in Turkey, produced using premium quality base oils and additives with formulas that meet customer requirements at the highest level, tested in accredited laboratories approved by ISO 17025 approved in European standards.

GMX POWER supplies Engine Oil, Gear Oil, Hydraulic, Grease, Industrial Oil, Marine Oil Anti-freeze products in many countries and domestic Turkish market. Gmx Power ensures the continuity of high quality and long-lasting, efficient and clean work mainly in Europe, Middle East and North Africa, with its uncompromising principles.

FULL SYNTHETIC MOTOR OIL

GMX VR9 0W-16

API SN/CF, ILSAC GF-5, Dexos 1

GMX POWER 0W-16 is a low viscosity, advanced full synthetic motor oil designed to help deliver outstanding engine protection and enhanced fuel economy benefits to keep your engine running like new and protect critical engine parts for up to 10,000 miles between oil changes. 0W-16 meets or exceeds the requirements of the industry's toughest standards and outperforms our conventional and synthetic blend oils. 0W-16 is recommended for specific modern engines including select Honda and Toyota engines designed to operate on a SAE 0W-16 viscosity motor oil.

GMX VR9 0W-20

API SN, ILSAC GF-5, Dexos 1

GMX POWER 0W-20 is full synthetic engine oil provide fuel economy, formulated especially for hybrid electric vehicles (HEV-Hybrid Electric Vehicle) and hybrids rechargeable (PHEV-Plug-in Hybrid Electric Vehicle) equipped with gasoline engines, turbo or atmospheric, direct or indirect injection. Recommended for electric vehicles of type BEV (Battery Electric Vehicle) equipped with a petrol thermal engine, extending the range.

GMX VR9 0W-30

API SM, API SL API CF ACEA A3/B4
MB Approval 229.1

GMX POWER 0W-30 is a fully synthetic engine oil developed by enriching with synthetic base oils and qualified additive technology. It is recommended for all kinds of high performance modern vehicles, passenger cars, gasoline and LPG engines with multi-point fuel injection, SUVs and Off-roads. In addition, thanks to the additives in it, it can be used safely in diesel vehicles.

GMX VR5 5W-30

API SL/CF ACEA A3/B3-04
MB Approval 229.1 Volkswagen VW501.01
Volkswagen VW505.00 AVTOVAZ LADA cars

GMX POWER 5W-30 is an engine oil formulated with synthetic oils and advanced technology performance additives, developed with the aim of superior protection and excellent fluidity. It has been developed for use in gasoline and diesel engines of passenger and commercial vehicles. It can also be used safely in small commercial vehicles such as cars, vans and minibuses.

GMX VR7 5W-30 DPF

API SN / CF ACEA C3-08 / C3-10
BMW Longlife-04 Porsche C30

GMX POWER 5W-30 is a synthetic based engine oil developed to meet the performance requirements of new generation engines. It is recommended for gasoline or diesel passenger cars and light commercial vehicles. It is fully compatible with the latest diesel particulate filters (DPFs) and catalytic converters (CATs) found in gasoline vehicles. Thanks to its low-ash (low ash) additives, it provides superior protection and longer oil change intervals in exhaust systems and engines.

GMX VR5 5W-40

API SL/CF ACEA A3/B3-04
MB Approval 229.1 Volkswagen VW501.01
Volkswagen VW505.00 AVTOVAZ LADA cars

GMX POWER 5W-40 is an all-season engine oil formulated with synthetic oils and advanced technology performance additives, developed with the aim of superior protection and excellent fluidity. It has been developed for use in gasoline and diesel engines of passenger and commercial vehicles. It can also be used safely in small commercial vehicles such as cars, vans and minibuses.

SEMI SYNTHETIC MOTOR OIL

GMX VR5 10W-30

API CI-4/CH-4/CG-4/CF-4/CF API SL/SJ
ACEA E7-08 ACEA A3/B4-10 MAN M 3275

GMX POWER 10W-30 is a semi-synthetic motor oil prepared with synthetic base oils and well-refined mineral base oils and advanced technology performance additive packages. It is recommended for use in passenger and commercial vehicles, European and American designed, low emission, turbocharged engines. It is also recommended for vehicles that work on highways, both under high speed/heavy load, loading/unloading short distances in light and heavy truck transportation, and heavy load in off-road conditions such as construction and agriculture.

GMX VR5 10W-40

API SM/CI-4 ACEA A3/B3-04 MB Approval 229.1
Volkswagen VW501.01 Volkswagen VW505.00
AVTOVAZ LADA cars

GMX POWER 10W-40 is the best quality product which is formulated with new technology additives and synthetic base oils. It provides a long engine life and protects your engine against the probability of the sediment and the dirt. It meets the demand of oil change with long intervals with its formulation developed specifically.

GMX VR5 10W-60

API : SN/CF ACEA A3/B3, A3/B4VW 501 01/ 505 00

GMX POWER 10W-60 Advanced Full Synthetic Motor Oil is made with a proprietary blend of ultra-high performance synthetic base stocks fortified with a precisely balanced component system. It is engineered to help provide long lasting protection in higher mileage engines for long life out of your vehicle. Provide excellent performance on racing motor vehicles. Extra seal conditioners prevent oil leaks, Provides exceptional cleanliness and removes sludge, Excellent oil film thickness for extra protection in older engines, High viscosity to help reduce oil burn off in older engines, More anti-wear additives to help protect worn engines, High performance base stocks for excellent all-round wear protection.

MINERAL MOTOR OIL

GMX VR3 20W-50

API SL/CF ACEA A3/B3-04
MB Approval 229.1 Volkswagen VW501.01
Volkswagen VW505.00 AVTOVAZ LADA cars

GMX POWER 20W-50 is a gasoline engine oil produced by blending quality base oils and high performance additives. It is a motor oil that can be used in all seasons, showing effective performance in gasoline and LPG vehicles, especially in urban traffic, and passenger and commercial diesel engines. Detergent, dispersant and anti-foam additives in its content keep the engine clean for a long time and prevent the formation of deposits and deposits.

GMX VR1 SAE 50

API SL/CF

GMX POWER VR1 SAE 50 is a product produced from high viscosity indexed oils that can be used in any diesel and gasoline engines at any season. It provides proved engine cleanness, low oil consumption and reliable engine protection under normal driving conditions.

GMX SAE 10/30/40

GMX POWER Mono grade engine oils for the general use of all types of passenger car and commercial diesel engines whit normally aspirated or turbo charged engines. Monograde engine oils are not suitable for all year use therefore they have to be changed according to season and temperature conditions.

MOTOCYCLE

GMX 4T 10W-40

API SL JASO MA2 (T903:2011)
JASO MA (T903:2011)
JASO MB (T903:2011)

GMX POWER 4T 10W-40 is a high quality synthetic motorcycle oil prepared with advanced technology additives. It can be used safely in four-stroke and high-performance, air or water-cooled motorcycles in all seasons. Also suitable for Japanese and European motorcycles where API SL and/or JASO MA/MA2 specifications are recommended.

GMX 4T 20W-50

API SJ
JASO MA2 (T903:2011)
JASO MA (T903:2011)

GMX POWER 4T 20W-50 is a premium quality motorcycle oil prepared from well refined mineral base oils. It can be used safely in four-stroke and high-performance, air or water-cooled motorcycles in all seasons. Also suitable for European and Japanese motorcycles where API SJ and/or JASO MA2 specifications are recommended.
